

**Outreach Feedback from Ballard Community Center  
October 19, 2011**

**#1      What the Parks Department should we prioritize?**

- Keep the lights on as late as possible and building open
- Remain open on the weekends
- Light the exterior of the building to improve security
- Emphasize Teen programs especially late night
- Stay open during evening hours and late night
- Build community
- Hold special events that will attract more participation from the community
- Develop programming , Arts, Childcare, increase diversity
- Mural project
- Fully explain process that designates Ballard a 2 b site and how it can be changed
- Do fundraising
- Continue and add drop in class opportunities
- Establish ties to other organizations in the community to establish new partnerships
- Market Community center programs to targeted audiences
- Programming for stay at home parents and home schooled children

**# 2      What should we keep doing?**

- Expand programs for families and kids
- Continue to sustainable Ballard Program
- Keep exploring energy efficiencies
- Keep drop in programs
- Improve front lobby
- Keep doing Events

**# 3      What should we stop doing?**

**#4      What can you do?**
